GRAND KNIGHT'S MESSAGE

As the month of October approaches, we are thanking the Holy Family for giving us the many wonderful things we are all grateful for; this is also true for the Knights of Columbus.

This month is **Membership Recruitment Month**. We as members are grateful to our proposers for having seen what we could bring as a member to this wonderful Order. If you missed the chance to read the July issue of the "COLUMBIA", I encourage you to read or even re-read the article in the Closing Ode section entitled "**Why I Became A Knight**". This article will move you and I am sure that it will instill the fire and enthusiasm to maybe sign up a prospective member for the Order. Please help our Membership Directors, Bros. Wayne Dillabough and Merv Krasowski in this effort. If you know of a **Catholic Gentleman 18 years of age or older** and a **Practical Catholic**, sign him up with a **Form 100**. If you don't have a Form 100, please tell Bro. Wayne, Bro. Merv or myself and you can call me at 783-5672 or on my cell at 621-8640.

I would like to thank all brother knights who have helped out in the many events, not only that we have planned, but within this parish. Thank-you also goes out to all who have returned their **CHARITY APPEAL TICKETS**--- this is much appreciated, as the deadline for all tickets sold or unsold are to be in by **October 16th**. You can mail them to myself at 129 Elizabeth Avenue, Yorkton, SK S3N 2E2 or via the Sunday collection plate—mark the envelope **CHARITY APPEAL**.

In closing, one final note, curling season is just around the corner. If you would like to curl, please contact either Bro. Tom Pasloski at 783-4374 or myself at 783-5672 or 621-8640

Vivat Jesus,
Jeff Krasowski

## PROGRAMMING

Our Columbian year got off to a roaring start with the council's participation in the **Rollathon for Drug Awareness** in support of the **Our House Program** out of Esterhazy. A group of roller blade enthusiasts (plus some bikers) led by Gerry Oake and Norm Sharkey of **The Our House Program** covered the distance between Esterhazy and Yorkton in pretty decent time. Bro. Henry Kweens joined the group in progress to bike with them into Yorkton. Our council served lunch in the chambers to the group on completion of the Rollathon. The event was a success all around. Thanks to those who helped with our part in the event. Thanks to my wife Debbie and to Bro. Henry for helping serve the lunch. One of the benefits of this project was the fraternity that we enjoyed working with the Esterhazy council.

I am hoping for a good turnout of directors for the October executive meeting. We still need to finalize the list of projects for the coming year. One project that will be coming up fairly soon is the annual fall yard cleanup. We will set a date for that at the executive meeting and will let people know about it.

Please note, that the date of one of the brunches has changed from that listed in last month's schedule. The brunch that was to be on April 22 will now be on April 29, 2007. (We may as well look ahead to next spring).

Fraternally,  
Keith Hayward, DGK  
General Program Director

**CAMPGROUND SERVING**

During the summer days of June 26, 27, 28, brothers and their wives from our council were hosts at the Yorkton Campground to welcome visitors. They served coffee and cookies. I would like to thank those volunteers and especial thanks to Brother Keith Hayward and his wife Debbie for donating homemade cookies. You were great ambassadors of Yorkton.

Fraternally,  
Joseph Megyesi

**SICK & VISITING**

I realize that we have neglected in the past few years to remember our prayers for the Sick and In Distress brother knights and their families. Please remember in your prayers the following brother knights and their families. Lorne Barnes, Eugene Bialobzyski, Joe Megyesi, Florence Kereliuk (wife of Henry), Trina Wanner (wife of Lorne), Frank Vidomsky, Maxine Paydli (wife of Joe) and all other brother knights and their families that we missed. May the Virgin Mary intercede our prayers for a speedy recover.

Vivat Jesus,  
Jeff Krasowski

**LUCKY ANGEL TICKETS**

A reminder to all brother Knights that the Parish has once again restarted the Lucky Angel Draw. If you have picked up your book of tickets, Great, if not please pick them up next Sunday after Mass or at the Fall Supper. If unable to do so please phone me at 783-7380 or phone me if you need extra tickets. Check the posters on the Church bulletin board for the unique prizes offered.

Your Humble Servant  
Wayne Exner

At our next Regular Meeting on October 11<sup>th</sup>, we will have a guest speaker. Sister Yvette Plessis, a nun in our parish, will speak on **“Global Trafficing”**. Sister Yvette is a teacher, a pastoral worker and a resource person for the Achdiocese. Don’t miss this meeting.

**SO YOU THINK YOU KNOW EVERYTHING**

What About These Things:  
“Stewardesses” is the longest word typed with only the left hand and “lollipop” with your right hand.

It’s impossible to sneeze with your eyes open.

“Dreamt” is the only English word that ends in the letters “mt”.

Our eyes are always the same size from birth, but our nose and ears never stop growing.

The words ‘racecar’, ‘kayak’ and ‘level’ are the same whether they are read left to right or right to left.

There are only four words in the English language which end in “dous”: tremendous, horrendous, stupendous, and hazardous.

A dime has 118 ridges around the edge.

A cat has 32 muscles in each ear.

A dragonfly has a life span of 24 hours.

An ostrich's eye is bigger than its brain.

Babies are born without kneecaps. They don't appear until the child reaches 2 to 6 years of age.

Butterflies taste with their feet.

If you are an average American, in your whole life, you will spend an average of 6 months waiting at red lights.

The average person's left hand does 56% of the typing.

The cruise liner, QE2, moves only six inches for each gallon of diesel that it burns.

The winter of 1932 was so cold that Niagara Falls froze completely solid.

Tigers have striped skin, not just striped fur.

Women blink nearly twice as much as men.

Your stomach has to produce a new layer of mucus every two weeks; otherwise it will digest itself.

There are 293 ways to make change for a dollar.

The microwave was invented after a researcher walked by a radar tube and a chocolate bar melted in his pocket.

Rubber bands last longer when refrigerated.

Peanuts are one of the ingredients of dynamite!

Leonardo Da Vinci invented the scissors.
